

**REMARKS**

In response to the Office Action of September 15, 2010 the Applicant has deleted a number of claims and amended the remaining claims as recommended by the examiner.

Claims 1-3, 5, 6, 9, 16, 19-25 and 35-38 were allowed.

Claims 22 and 23 were objected to and those claims are amended to depend from Claim 19 instead of Claim 9.

Claims 4 and 8 were objected to as duplicates of Claims 3 and 5, respectively, and in response Claims 4 and 5 are deleted.

Claims 10-12, 14, 15 and 17 were allowable if rewritten to overcome §112 ¶2 rejections. The claims were amended as recommended by the Examiner.

Claims 40-42 were allowable if amended to overcome §112 ¶2 rejections. The claims were amended as recommended by the Examiner.

All of the remaining claims are believed to be in condition for allowance and such allowance is respectfully requested.

Since this amendment is filed after a final rejection, if there are any further objections the Examiner is requested to phone the undersigned to discuss entry of an Examiner's amendment to resolve any remaining objections. Authorization for any extension fees for such Examiner amendments is hereby given.

If any additional fee is required, please charge Deposit Account Number 19-4330.

Respectfully submitted,
